From the Pastor’s Desk:
Thanks to everyone who helped with the Easter Egg Hunt. With the weather we moved the hunt inside but still had a great turnout.

Pray For the Persecuted Church

Niger: Pray for Christians Following Coup

Armed terrorists, often connected to the self-proclaimed Islamic State (ISIS), have ravaged parts of Niger, particularly in the west near its borders with Mali and Burkina Faso. Much of the country's small Christian population has been displaced in the violence: "Many have seen their parents or family members shot and killed," a front-line worker said. Additionally, after Niger's president was overthrown by military officers in a July 2023 coup, the Islamic Council of Niger has been pushing to change the country from a secular democracy into an Islamic republic governed by sharia law. The front-line worker asks that people pray for Nigerian Christians to experience God's protection during this turbulent time.
