## Nepal: Children's Bibles Lead to Salvation

Bishwas Thapa, a 10-year-old boy who has been regularly attending a children's fellowship for the last year, received a children's Bible during a distribution event. His mother, Kamala, was attracted by the colorful pictures and began to read the Bible herself. Through this Bible, both Bishwas and Kamala came to know Jesus Christ as their Savior. They, along with three other children who received Bibles, publicly committed their lives to the Lord on September 16, 2023..
