Burkina Faso: A Solemn Baptism

On Saturday, March 8, eight young Christians were baptized. The ceremony took place in a village in the southwestern part of the country where Muslim terrorists from neighboring Mali sometimes attack and kill followers of Christ. "These baptisms are different than most I have attended as they are quite solemn," said a front-line worker. "Once these individuals are baptized, they are targeted and are likely to be beaten or even killed for their faith in Jesus Christ." As they were being baptized, the Christians sang "I Have Decided to Follow Jesus." Seven of the newly baptized Christians also received Bibles.
